## REACH Declaration for Articles Provided by Haydon Kerk Motion Solutions Inc.

Haydon Kerk Motion Solutions Inc. (Haydon) is aware of the EU legislation controlling and restricting certain chemical elements under the REACH (Registration, Evaluation, Authorization, and Restriction of Chemicals) program. Haydon is a supplier of **articles**, products that do not “intentionally release” chemicals, and therefore we are not bound by the REACH regulation regarding chemical registration (Note: we do not produce or distribute stand alone **chemicals** or **preparations**). The European Chemicals Agency (ECHA) currently has a candidate list of **(38) substances of very high concern (SVHC)** shown below. We declare; to the best of our knowledge; that our products do not contain any of these substances in concentrations in excess of 0.1% weight by article. Haydon will continue to review the current and future additions to the “SVHC list” and will immediately notify our customers if and when a SVHC substance above the 0.1% level is discovered in our product.
